Orientation Guidebook 2017
It gives me great pleasure to welcome you to the University of Limerick. Congratulations on earning a place at Ireland’s most innovative and dynamic university, and thank you for choosing to study at UL.

The University of Limerick is a fantastic place to grow, both academically and personally, as you will find out over the coming months and years. UL offers an attractive campus setting, along with unparalleled facilities. We can also boast an exceptional graduate employment rate. 74% of our 2016 graduates went into direct employment and 20% went on to do postgraduate study or research. UL is also a welcoming university and we are proud to have been awarded University of Sanctuary status this year. And of course, college life is not all about study, we also have a vast array of clubs and societies, as well as sports activities to choose from in your downtime.

As a new student at UL, you will, no doubt, have questions. To make sure you get off to the best start in your new home, we have arranged a number of initiatives to help you to transition to college life, regardless of whether you are a school leaver, a mature student, progressing from further education or joining us from another country.

Our orientation and First Seven Weeks programmes are designed around you, to provide you with information about university resources, facilities and services. You will find more information on these programmes, on our Student Engagement and Success Unit, and on our Student Union in the following pages.

Over the coming weeks, you will begin to build a network of resources that will help you to start your UL journey on the right path. I would encourage you to take advantage of all that is offered through UL’s vibrant and rewarding community of academics, students, and support staff.

I wish you the very best of luck, and hope you enjoy every step of the journey.

What happens at Orientation?

ORIENTATION WILL HELP YOU BECOME FAMILIAR WITH YOUR COURSE AND THE FACILITIES AND SERVICES AVAILABLE TO YOU AT THE UNIVERSITY OF LIMERICK.

01 WELCOME ADDRESS
During the welcome session either the President of UL, Dr Des Fitzgerald, or the Vice President Academic and Registrar, Dr Pat Phelan, will welcome you to the University. You will also hear from the Dean of your faculty and the Students’ Union.

At the end of the Welcome Session you will be introduced to your Orientation Guide.

02 ORIENTATION GUIDES
Orientation Guides are current students who will show you and your new classmates the different facilities and services available to you as a student of the University of Limerick. During Orientation, if you have a question or if you need a bit of advice, your Orientation Guide is the person to ask.

03 INTRODUCTION TO YOUR ACADEMIC DEPARTMENT OR SCHOOL
At your Academic Department or School Meeting you will meet the faculty and the staff members who will teach and assist you during your studies at the University of Limerick. During the information session you will be given an overview of how the department is structured and you will also hear about the Personal Advisor Support System (PASS) operated by the University of Limerick.
**INTRODUCTION TO YOUR ACADEMIC PROGRAMME**

At the Introduction your Course Meeting, the Course Director will take you through your lectures, tutorials and labs schedule. You will also be told about module electives and module registration. Your Course Director will also give you an overview of the course that you are studying. If you have any questions about the course, your Course Director is the person you should ask.

**STUDENT VETTING/POLICE CLEARANCE**

All Students on Programmes: LM026, LM038, LM089, LM090, LM092, LM094, LM095, LM096, LM100, LM101, LM102, LM103, LM120, LM150, LM152, LM154 & LM156 are required to undergo Garda/Police Vetting on entry in compliance with the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012. The information pack you will receive includes instructions on the UL E-Vetting process and the necessary documents for completion from the National Vetting Bureau which you are required to submit at the Student Vetting Session during Orientation at UL. Please read the information carefully and submit all required documents: A Vetting Invitation Application Form (NVB1), a Photo ID form (ID Form 1) and a Parental Consent Form (NVB3) will be sent to you prior to Orientation Week, along with instructions on the Vetting process (Undergraduate Student Vetting Requirement 2017). You are required to complete all forms as instructed and bring them to the Student Vetting Session during Orientation where they will be collected from you.

When you submit your Vetting documents, you will also be required to produce your passport or credit card size driving licence AND your UL ID Card to verify your identity.

As applications are now processed by E-Vetting, once the submitted Vetting Invitation (NVB1) has been processed by the National Vetting Bureau, you will receive an email link from evetting.donotreply@garda.ie with instructions to complete the full Student Vetting application form online. You are advised to do this immediately as there is an expiry date on the application.

Applicants who have lived outside of Ireland for more than 6 months since the over age of 16 years and those applicants who are not resident in Ireland will be required to submit Police Clearance Certificates (PCC’s) from all jurisdictions in which they have lived. These PCC’s will be collected from you during the Student Vetting Session, or may be posted the UL Student Vetting Office using registered post. Further details are available on the UL Student Vetting website - www.ul.ie/assocreg

**ENROLMENT**

During enrolment the University checks whether you have completed the online finance task and enrolled online for your programme. In addition, there is a verification process to ensure that your legal name is recorded on your student record. Finally, you are issued with your Student ID card.

To complete this process you must have your student number and present one of the following:
- Passport
- Birth Certificate
- Evidence of a Legal Name Change (Marriage Certificate or by Deed Poll).

Driving License/Age Cards are NOT accepted.
Student Engagement & Success Unit

The University of Limerick welcomes and supports all 1st years in their transition to third level education. As part of this commitment the university has established a Student Engagement and Success (SES) Unit. The SES Unit are here to support your transition into 3rd level to ensure that you get all the support you need to make your first year a success. First Seven Weeks Programme

The University of Limerick runs a unique support programme dedicated to helping first year students adjust to third level from orientation week through the first seven weeks of semester. Launched in 2010, the First Seven Weeks programme is designed to provide strong, enhanced and targeted support to students from the start of their university experience. The programme developed as a result of research carried out by the Centre for Teaching & Learning at UL showed that students who engaged well with university life during the first weeks of semester have a better chance of success in their chosen programme of study.

The First 7 Weeks Hub (located in the Students Union Courtyard) is open 9am to 5pm, 5 days a week during the first seven weeks for students to drop in ask questions, get advice and receive support. The activities of each of the seven weeks are designed around a theme which focuses students’ attention on various issues that are important for settling in and thriving as a higher education student. For example; study skills, time management, health & wellbeing, developing critical thinking, writing skills, civic engagement and volunteering.

Email Notice

Shortly before orientation, applicants who have accepted their offer of a place, will receive an email with instructions for each of the items below. Details are also available from www.ul.ie/orientation.

**Step 1**

**Activate Computer and Email Accounts (Page 10)**

This involves setting up your password based on the username provided in the email notice. Your username is also your Student ID number.

**Problems**

Email ITSS@ul.ie

**Step 2**

**Log in to your Student Portal**

This involves going to https://www.si.ul.ie and logging in to your student portal using the username and password you have set.

**Step 3**

**Complete the Online Finance Task (Page 6)**

This calculates your fee liability and must be completed by all students even if you are not paying fees.

**Problems**

Email student.fees.office@ul.ie

**Step 4**

**Enrol Online For Your Programme**

**Part 1**

In order to create your student record you must enrol online before orientation. If you are resident in Ireland you must provide your Personal Public Service (PPS) Number.

**Part 2**

Attend Orientation and complete your enrolment. (see page 5, 06 Enrolment)
Course Fees

What Fees Do I have to pay?

All new entrants must complete the Online Finance Task on the student portal at www.si.ul.ie which will determine your fee liability for the year. This must be completed even if you will not be paying any fees.

Please note that all communications with regards to fees will be sent to UL student email addresses. Students will be able to access a financial statement online to check their balance and transactions.

Student Fees consist of three elements per annum:

- **Student Course Fees**
  - **Student Contribution**: Annual charge set by the government for all full-time third level students
  - **Student Centre Levy**: Based on a) Residency, b) Citizenship, c) Student Course

- **Tuition Fees**
  - **2017/18 Amount**: Please refer to fees schedule listing www3.ul.ie/finance/fees.php
  - **Payable by**: Student or if eligible Higher Education Authority (HEA)

**2017/18 Amount**: €3000

**Payable by**: Student or if eligible Student Universal Support Ireland (SUSI)

**2017/18 Amount**: €36

**Payable by**: All students. Note the Student Centre Levy is not covered by the SUSI Grant

**Student Contribution**

All students are liable unless they have been approved for a grant by SUSI – please refer to www.studentfinance.ie to determine your eligibility for a grant and for instructions on how to apply.

**Student Centre Levy**

All students are liable to pay the Student Centre Levy of €36.

**Tuition Fees**

Review the following three groups of criteria to determine your fee status as follows:

- **a) Residency**
  - You must have been living in an EU/EEA member state or Switzerland for at least 3 of the 5 years before starting your course

- **b) Citizenship**
  - You must be a citizen of an EU/EEA member state or Switzerland or have official refugee status

- **c) Course Requirements (all must be met)**
  - You must be a first time full-time undergraduate*
  - You must be undertaking a full-time undergraduate course of at least 2 year’s duration
  - You cannot be undertaking a repeat year of study at the same level unless evidence of exceptional circumstances eg serious illness is provided (in which case this condition may be waived)

**Free Fee Status**: You satisfy all three categories (a, b and c) and therefore are eligible for the Higher Education Authority’s Free Fees scheme.

**EU Fee Status**: You satisfy the citizenship and/or residency criteria but fail to satisfy the course requirements and are liable to EU fees.

**Non EU Fee Status**: You do not meet either the citizenship or residency criteria and are therefore liable to Non EU fees.

*Exceptions are provided for students who hold a Level 6 or Level 7 qualification and are progressing to a Level 8 course in the same general area of study.

The Information Technology Division (ITD) delivers quality ICT Services including Computing, Communication and Information Services to the UL Community, Staff and Students

ITD Provides:

- Access to Windows based PCs across campus.
- A dedicated Student Computing website www.ul.ie/studentcomputing and a Student Portal site www.ul.ie/portal/students
- Printing services campus-wide for B&W and Colour printing.
- Student Laptop Clinics are held daily from 2:30 to 3:30 in the Library.
- Student assistance for computer queries: Email: ITSS@ul.ie
- WiFi is widely available on campus giving students connect their Laptop, Tablet or Smartphone to the University Network.

SULIS (sulis.ul.ie)

SULIS is a set of software tools facilitating lecturers, tutors and students with shared space for Collaboration, Communication and Teaching & Learning.

You just need to enter your network Username and Password.

If any student does not register for their modules they will not have access to SULIS. (see page 23 for registration)
Access to Computers

• To log on use your Username (your ID number) and a Password to access PCs. This allows access to Microsoft Office Cloud based email, O365 apps and ‘One Drive’ storage. On initial logon you must use your date of birth (e.g.: 21Feb1997) as your password. You will then be prompted to change this. Your new password must have a minimum of 8 characters (a combination of upper and lower case letters and digits) e.g.: SuCces55.

• You receive a Print A/C that can be topped-up on-line to pay for their printing.

• You are advised to back up their work as it is your responsibility to secure your own data. Students should purchase a USB device (memory stick or hard drive) for this purpose.

• Your Computer account (which includes your email and print accounts) is a very valuable resource and it is your responsibility to ensure that no-one else gets access to it.
  Do: change your password
  Don’t: give your password to anyone else, leave PC without logging off, leave your PC unattended when you are logged in.

• After you have successfully set up your password, you should register your mobile number at https://passwordregistration.ul.ie so if you ever forget or need to reset your password you can do so using a simple SMS message.

ITD is providing Microsoft Office to every student free of charge via the Microsoft Student Advantage program. This means the latest version of the full Office productivity suite, including Word, Excel, PowerPoint, OneNote and more will be available for offline and online use. Download Microsoft Office for free via your email account.

The Library

The Glucksman Library warmly welcomes you to UL. The Library is located in the Plaza opposite the Statue known as ‘Brown Thomas’. Our opening hours during semester are Mon-Fri 8.30-23.00, Sat 10.00-19.00, Sun 11.00-18.00. You need your UL ID card to enter the Library and to borrow books. Undergraduates can borrow 5 books for 14 days plus an additional 6 items from short loan collections. Postgraduates can borrow 10 books for 28 days plus 6 short loan items and an unlimited number of ebooks. Please be aware that we charge fines for the late return of books. Ask for help in the library from the student peer advisors in red t-shirts or from the Information Desk.

307 may need to be flagged to stop at Dromroe Village and Thomond Village
The University of Limerick have five purpose built village style residences on campus which offer high quality accommodation for an all inclusive fee. Kilmurry and Plassey Villages are our non ensuite Villages, while Thomond, Dromroe and Cappavilla offer ensuite accommodation in apartment style design. The Quigley Residence is our dedicated postgraduate accommodation. In 2016, we also purchased Troy Village, which is located 15 minutes walk from campus.

Campus Residences

VILLAGE RECEPTION

The Village Reception is the central service point in each residence. The Village Management Team operate the service from 08h30 to 22h30 Monday to Thursday. We are open Fridays from 08h30 to 19h00 and on Sunday evenings from 19h00 to 22h30. Each Village has a Village Manager, an Assistant Village Manager and two Resident Assistants who are full time students like you.

MAINTENANCE SERVICE

Included in your rental fees is a professional maintenance service. Log a maintenance item with reception when you have an issue and our team will attend to your problem in the quickest time possible. From changing light bulbs to sorting a power outage, our maintenance team have got it covered.

SECURITY SERVICE

Campus Security patrol each village regularly and are on hand in the event of an emergency. Our security team work hard to keep the residences safe and should you see suspicious activity, be sure to contact Campus Security from your house phone on 4600.

LAUNDERETTE SERVICE

While each residence has communal launderette facilities (operated by pre-paid token), we also offer a serviced laundry service. Pop your clothes down to the Village Reception and have them returned the next day. Ask at the Village Reception for the schedule of prices.

VILLAGE HALLS AND SEMINAR ROOMS

All Village Halls and Seminar Rooms are available to residents and can be pre-booked free of charge at the Village Reception. The Seminar Rooms and Halls are ideal for group study and are available for events.

CAMPUS LIFE EVENTS

Each semester, we run a program of events for our residents which are completely free. From video nights to inter village tag rugby competitions, we offer a variety of events which will give you the opportunity to meet new people, get involved in your village community or try something new. If there is an event you would like us to organise, come and let us know.
Off-Campus Accommodation

The Accommodation Office provides a list of properties available locally, off campus. The typical rates for off campus accommodation are upwards of €65.00 per week. For further information regarding off campus accommodation, contact the Accommodation Office on 061 202331

NB: It is important to note that the University can take no responsibility for the condition of these properties and advises all students to visit the properties and to read all agreements carefully in advance of signing tenancy agreements.

Guidelines for renting off campus

Rent book - You are legally entitled to and should request a rent book which will set out how much is payable, how often and provide contact details for your landlord. If you pay rent in cash, your landlord should also sign that they have received it when you hand it over.

Letting agreement - If you are only going to be staying for one semester, do not sign a lease for the whole year; you will more than likely lose your deposit.

Inventory - Get a list of contents of the house. Note any damage (tears on couch, cracked tiles, radiators not properly fixed to the walls.) Sign it and get the landlord to sign it.

Take photos - Photograph every room in the house, being careful to get cracked windows, damaged walls or ceilings, torn furniture, damp patches and damaged flooring. Take photos before moving in and also as you are moving out.

Keep everything - Keep all receipts for bills and repairs you have had to carry out and all receipts for rent paid.

Neighbours - You are part of a neighbourhood when you move in to an estate near campus. Get to know your neighbours, get a community feeling about the place. Remember that there are families as well as students living in the estates. Respect their right to a peaceful place to live. Enjoy yourself, but don’t make a nuisance of yourself.

Deposits - Most landlords look for a deposit to cover any damage or bills that are outstanding after you leave. Where a deposit is being held to pay for damage or bills, you should request to see receipts.

You may forfeit some or all of your deposit if you:
• Do not stay for the entire tenancy period outlined in your tenancy agreement, or give proper notice
• Damage the property in excess of normal wear and tear
• Leave unpaid bills or rent

Academic Registry

Student Administration

The Admissions Office

The Admissions Office is responsible for the admission of undergraduates and admits more than 3,000 students each year.

They also oversee the orientation, enrolment of students and allocating of student advisors.

Student Academic Administration

Student Academic Administration helps students along their chosen academic pathway. SAA maintains controls and develops the University’s student reports, including all personal details, grant records, student registration, performance reports, student results and the issuing of all graduate Parchments. SAA also publishes all class and examination schedules for the University.

Module Registration

ALL students MUST register on-line in WEEK 1 of each semester. This not only applies to students taking modules on campus but also to those on off-campus placement, such as Cooperative placement, Erasmus, Clinical placement etc.

What happens if I don’t register?

The implications of not registering are serious and far-reaching.

If you do not register on time in Week 1, you will incur a fine of €200 and be denied access to SULIS. You will not receive a lecture timetable nor have access to 1) your computer Account 2) email, 3) any class lists, 4) exams. If you are in receipt of a grant, the payment will be delayed if you are not registered.

EXPERIENCING DIFFICULTIES?

If you are experiencing any difficulties registering, you can contact Student Academic Administration either by calling to the front desk or emailing SAA@ul.ie giving details of the error or difficulties you are experiencing.

Pre-Registration

Pre-registration means that students select Modules ONLY IF they have elective modules to choose from for the NEXT SEMESTER. Only programmes with elective module choices need to pre-register NOT programmes with only core modules. Pre-Registration takes place in Week 5 of each semester. Students will be emailed to their student email address to remind them to pre-register. Failure to pre-register will always result in an incomplete timetable and possibly not being permitted to take the module you wish to choose from your elective choice.

Forms to be stamped

Forms such as child benefit, medical card application, back to education allowances etc. can be stamped in the Student Academic Administration Office, E0-001.

Please note that only students who have registered and confirmed their modules can get forms stamped.

To Register

Registration takes place from the Monday to Friday of week one of each semester for every academic year. You can register 24 hours a day, 7 days a week.

To confirm your modules, simply log on to www.ul.ie Click on the “Student & Staff” tab at the top of the page. Then click on Student Quick-links. Finally click on “My Student Records” to log in. It is important that you click on the module selection button to select your modules and finally, to complete the process, you must click on the Confirm Modules button.
Student Affairs Division
Student Supports

The Student Health Centre
The Student Health Centre is located in the Main Building, block C, level M. A comprehensive range of medical services are available to all registered undergraduate and postgraduate students at the university during term time and between semesters at a limited level of service.

The services include general medical clinics, general nursing clinics, specialist clinics for procedures, physiotherapy clinics and clinics held once a week by our visiting psychiatrist. We also run a range of specialist clinics to include family planning, contraception advice clinics and sexual health and STI screening clinics.

A range of charges are levied for the provision of these services. For more information, please visit our website at www.ul.ie/medical or telephone 061 202534.

Student Counselling
A full-time professional and confidential counselling service is available to all UL students. On a daily basis, the counselling team deals with a wide range of psychological and emotional problems: loneliness, self-confidence issues, study difficulties, exam anxiety, stress... It is not necessary to be experiencing enormous problems to justify seeing the counsellor. Moving from school to college, being uncertain of the future, feeling iffy about your course, relationships or home life... these are problems that anyone can encounter. A Drop in Centre runs during term time between 11 and 12 in the morning and 3 and 4 in the afternoon in room CM 073 (Main Building). The service also provides ten psycho-educational classes each week as an integral part of its programme. This service is free to students where you can call in and meet one of the team without any appointment.

The Arts Office
The University of Limerick Arts Office programme supports the vibrant and thriving cultural life of the University of Limerick. The annual programme includes lecture series, Irish and foreign language films, theatre and dance production, community outreach projects, life drawing classes and a series of pop up events. The office actively promotes and develops alternative events on campus that are accessible to students, staff and members of the public. It collaborates with other university arts groups and student societies.

University Services-Chaplaincy
Welcome to UL! We wish you well and hope that your time in College will be an enriching experience. If we can support you in any way we will be very happy to do so.

The key activities of the UL Chaplaincy team fall into 3 categories:
Worship/ Spirituality – Support/Pastoral Care - Outreach Volunteering
Students are welcome to visit Teach Fáilte, our drop in centre in the Students’ Square. It is open daily from 10.30 to 4.30pm. Individuals or groups are welcome to have a casual cuppa and chat. In times of difficulty students are assured of a listening ear and may be facilitated to avail of other supports on campus. The Contemplative Centre (opposite the SU) is an oasis of peace and tranquillity for those who wish to take time to reflect, pray or listen to sacred music. Opportunities for Worship or Religious Services are provided throughout the academic year.

We look forward to meeting you.

Connect Student Network

Run by students, for students, Connect is a peer mentoring programme which takes on student volunteers from a variety of different backgrounds. Sometimes it’s easier to talk to people the same age as you who have recently gone through similar experiences – homesickness, relationship problems, course difficulties etc. which is why Connect tries to pair you up with likeminded individuals who will help you get through. Connect is a service with one very simple aim – to help.

I love the Wolf but Why?
The UL Wolves is a brand that students identified with back in 2011 and was adopted as the brand and mascot of UL as it captures the dynamic characteristics and qualities of all the best things about being a student in UL. This is especially evident within the various elements of the Students’ Union ‘Wolf Pack’. Whether that’s as part of the Staff/Sabbatical team, the 66 Clubs & Societies, Student Council or any of the numerous Student Entertainment activities (that’s “Ents” to you native UL speakers).

The wolf is a stunning creature capable of greatly influencing the environment it lives in. The community it lives in is part of a structured community, but its success is born out of its innate personality and characteristics.

A Wolf is
1. Intelligent
2. Powerful
3. Highly Social
4. Supportive
5. Has strength in numbers - drawing its strength from the weight of the pack
6. Organised
7. Structured

Need Advice, Information or Support?
Going on to 3rd level is a major step in your life and ULSU is aware that sometimes this can present some hurdles to be navigated. ULSU has a dedicated person in Seán, the Student Information and Support Coordinator who is here to listen, signpost and advise all students. Seán will offer confidential support and do his utmost to help by offering the listening ear and helping hand that is sometimes needed. Seán is also tasked with administering the various financial supports and assistance offered by the way of interest-free financial aid loan, student assistance fund and childcare bursary. Remember, no problem is too big or small so don’t be shy to drop into the SU for a chat with Seán or email him at sean.bailey-whyte@ul.ie for either advice and information or if you wish to enquire about the various financial supports available.

The President’s Volunteer Award (PVA)
Volunteering can offer you invaluable experience, networking opportunities and can really enhance your job prospects. The President’s Volunteer Award (PVA) supports and recognises student engagement activities here in UL.
We acknowledge your volunteer achievement as well as your academic achievement on your student transcript. We are the only University in Ireland to do this. Each year the President of the University, Des Fitzgerald presents all student volunteers with their PVA.

Join the hundreds of student volunteers here in UL and get involved with some great organisations. Sign up to www.StudentVolunteer.ie and get access to volunteer opportunities all over Ireland and beyond. Come along to the Annual PVA ceremony on September 28th 2017 in the University Concert Hall. If you have any questions or would like to learn more drop into the Student Union Building –Office number SU1-05.
Clubs & Societies

Clubs & Societies – Welcome to the Wolf pack

For the next four years as you, work towards your goal of obtaining a degree. THE best way to maximise, your non-academic time with new people in fun, interesting and challenging ways is through the huge social network known affectionately as “Clubs & Socs”. That is 72 different Clubs & Societies run by over 640 volunteer committee members on behalf of more than 5000 unique members!

The UL Wolves is a brand that students first identified with as a Clubs & Societies initiative back in 2011 capturing the dynamic characteristics of a Wolf before its adoption by the entire Students Union. This magnificent animal thrives on being part of a strong community, it is intelligent, a social animal, and draws its strength from the Wolfpack - that typifies all the best things evident within the Clubs & Societies of your Students Union.

Certainly, the last 12 months many of our sports clubs were the apex predators on the intercollegiate sports scene once again. Our Kayak Club are the current 8 in a row Intervarsity champs, the GAA, Soccer, Handball, and Trampoline were successful this year and we picked up 4 National Society of the Year Awards as well by our Drama, Airsoft & Science Society respectively but to name just a few achievements.

In Week 7 of Semester 1, you will enjoy a flurry of Society activity across campus with the annual Societies of UL Arts Festival (SoUL Arts Fest). From Drama productions, International Food Fairs to Dance showcases & political debates there are over 60 fantastic events to be part of and delight in!

Opportunities also exist to roam the World as part of this amazing Wolf pack - to go Kayaking in the Italian & Slovenian Alps, Surfing in Morocco, Sub Aqua Diving in Lanzarote, Skydiving in France, Rowing in Boston, and Trampolining in Scotland. You could visit a European city with the Society of Architecture and even workshops in London's West End with the Drama Society.

Join the Wolf Pack by creating your membership account on-line https://ulsu.ie/clubssocs and join the Club or Society of your choice or check out https://www.facebook.com/ulwolves/ - for further information please contact Paul.Lee@ul.ie

Becoming a Class Rep today!!!

Interested in organising class nights out and representing your class? – Become a Class Rep!
Starting your course in UL is such an exciting experience. Your classmates will be with you every day throughout your student life here in UL. The class reps role is to bring the class together socially and represent them academically. There will be times throughout the year every class will need to liaise with lecturers.

How to become a Class Rep?
Simply pick up a nomination form from the Students’ Union which has all the instructions and deadlines on the form. Ask your classmates to nominate you by signing the form and when complete hand it back into the Union reception. After the deadline is passed you will get an email telling you if you have been elected or not and what the supports the Union has for you as a Class Rep. For further information please contact Liz Gabbett, Democracy Development Manager.

For further information please contact: E: liz.gabbett@ul.ie T: 061-233765 http://ulsu.ie/representation
The University of Limerick plays a unique national role in sport. This includes responsibility for the provision of teaching and research programmes in Physical Education and Sports Science at degree and postgraduate levels. In addition, with the development of the UL Sport Arena, incorporating the National 50-metre Swimming Pool (completed in 2001), the UL Sport Boathouse (completed in 2009), the UL Sport all-weather pitches (completed in 2011) and the creation of a sports city concept on campus, UL and its Sport Division have a track record in the management and operation of world-class sports facilities. UL Sport prides itself in providing a sports environment to the 13,000 students and staff on campus and the many sporting communities local and regional.

UL Sport mission –
"To become a world-class campus for physical activity, sport, recreation and health".

UL Sport consists of five broad sports facilities: UL Sport Arena, UL Sport Outdoor Facilities, UL Sport All-weather Pitches, UL Sport Adventure Centre and UL Sport Boathouse www.ulsport.ie.

The UL Sport Arena, established in 2000, this standalone facility is also home to the National 50m Swimming Pool, high-performance swim unit, and the recently opened (April 2017) 25m Diving Pool, National Strength and Conditioning Centre, Health & Performance Centre, fitness studio, multipurpose sports halls, indoor 3-lane jogging track, sprint track and various other ancillary and associated facilities. Growing participant numbers, which now average 14,000 individual visits per week.

The UL Sport Outdoor Facilities comprise a 400m athletic track (due to be refurbished and upgraded in 2017), grass pitches, an Astroturf pitch and four synthetic tennis courts. A UL student referendum was passed in April 2016, which will now see the addition of a large-scale development of floodlit grass and artificial pitches in the current ‘Maguire’s Fields’ and the construction of a climbing wall as part of the next phase of outdoor activity developments with construction due to commence in autumn 2017.

UL Sport North Campus All-weather Pitches built in 2011, fully floodlit is our newest development. It comprises two full-size third-generation (3G) soccer pitches, one full-size 3G rugby pitch and a full-size 3G GAA pitch. Designed to FIFA, IRB and GAA specifications, this is the largest artificial grass development in Ireland to date. In addition to the state-of-the-art playing fields, the adjacent Pavilion contains a reception arena, eight changing rooms (all with underfloor heating), two administration areas, two coaching rooms and the Pavilion bar and restaurant.

Established in 1996 and based at Killaloe, Co. Clare, the UL Sport Adventure Centre is a unique jewel and a tremendous addition to the campus sports facilities for UL students and staff and the general public. The Adventure Centre is recognised nationally and internationally for the quality of its services. Situated on the picturesque shores of Lough Derg (20km from the UL campus), the Centre offers a full range of outdoor pursuits and team challenge facilities all year round.

The UL Sport Boathouse, built through student funding in 2009, is another unique facility on campus. Located adjacent to the River Shannon, it is home to Ireland’s only indoor powered rowing tank. The rowing tank simulates various weather and water conditions whilst accommodating up to eight rowers at a time and can facilitate both scull and sweep rowing.

Together with the official opening on the 25m Diving Pool, in April 2017, also saw the official opening of the UL Sport Arena extension - state-of-the-art Munster Training Centre (home to Munster Rugby). This additional new facility has had a major impact on Munster Rugby successes. Planning permission and funding has been approved for a PGA Golf Academy, which will include 20 individual golf bays on a 320m driving range together and a research centre (the first of its kind in Ireland). The Golf Academy will be located adjacent to the UL Sport Boathouse.
UL Sport continues to strive to be the best it can be, offering more programmes and a complete range of facilities that will allow students, staff and the wider communities improve their quality of life through sport and physical activity. There is a very exciting Sport & Recreation Programme professionally developed, all-inclusive and for all to enjoy - so embrace our motto ‘Mens Sana in Corpore Sano’ (‘Healthy Mind in a Healthy Body’)

The University of Limerick has long been known as “Ireland’s Sporting Campus” supporting the development of many of Ireland’s leading sportspeople for over 40 years. With some of the best facilities, coaches and sports scientists all in one place it has been an environment that has nurtured Ireland’s best talent for generations. Now UL will significantly enhance its support to its student athletes through what we believe will become Irelands best Sports Scholarship programme combining all of the great supports we can offer to help maximise our students’ talent.

There will be three levels of award, Gold, Silver and Bronze with a value of up to €10000 at the Gold level. Scholarship holders will benefit from support in the areas of accommodation, registration, sports science, coaching and mentoring. We believe UL will offer you a unique world class environment to train and study.

The Bank of Ireland UL GAA High Performance Programme is designed to give you as a player the structured support required to achieve your sporting and academic ambitions. These scholarships are open to GAA Players in all 4 codes; Camogie, Hurling, Mens and Ladies Football. This programme will assist the athletes involved to maximise their potential and represent UL GAA, their clubs and counties at the highest level.

To find out more and to apply online visit www.ul.ie/sportsscholarships where you can also download a brochure with all of the details. If you then have any further questions you can contact us on sportsscholarships@ul.ie.

Frequently Asked Questions

Orientation Queries

Who will be in my Orientation group?
Your group will be made up of people in the same course as you. The group will be led by an Orientation Guide who is a current UL student. The guides will show you around the campus and will be able to answer any queries you have about UL.

What do I do if I get separated from my group?
When you meet your guide, you will be given a business card. On this card is a telephone number you can ring if you get separated from your group.

What do I need to bring to Orientation?
Passport or birth cert to verify your legal name

Student Academic Administration Queries

Who needs to Register?
All students that have enrolled on a programme of study at the University are required to register online in Week 1 of each academic semester.

When does it take place?
Registration takes place in Week 1 of both the Autumn and Spring Semester of each academic year.

What happens if I don’t register?
The implications of not registering are serious and far-reaching.
If you do not register on time in Week 1, you will incur a fine of €200 and be denied access to SULIS.
You will not receive a lecture timetable nor have access to 1) your computer Account 2) email, 3) any class lists, 4) exams.
If you are in receipt of a grant, the payment will be delayed if you are not registered.

If I have a problem with registration, what do I do?
If you are experiencing any difficulties registering, you can contact Student Academic Administration either by calling to the front desk or emailing SAA@ul.ie during week 1 giving details of the error or difficulties you are experiencing. Please use your student email account for all UL correspondence.

PLEASE NOTE!
Please note – your UL email account should be used for all communication
Student Loans

Talk to Michael Carroll in our University of Limerick Campus Branch about a discounted student loan

Grants

If I’m in receipt of a grant, what do I need to do?

As you are a new student, you should apply online for your grant to SUSI www.studentfinance.ie. SUSI will require Student Academic Administration (SAA) to provide confirmation of students registered. If you are not registered this will delay your grant process / payment.

Class Timetables

When and how do 1st year students get assigned to Lab and Tutorial groups?

You must register for your modules online during week 1. SAA take all 1st year student module registrations at the end of week 1 and these are used to create a personalised timetable for each first year student. This details the laboratory and tutorial groups that you must attend as well as all your lecture hours. This will be available by close of business on Friday of Week 2 at www.timetable.ul.ie. Students who do not register in week 1 cannot be issued with a personalised timetable.

Can I change to a different lab or tutorial time?

You must ask your lecturer. Student Academic Administration cannot allocate you to a different group.

There is a module missing from my personalised timetable

Check your registration. If you are not registered for the module, or if you made a late change in choice of module, it will not appear on your timetable. Please email saa@ul.ie or call to the Student Academic Administration counter to query your module registration and update if necessary. If your personalised timetable is wrong after Week 2 there will be no further updates to this. You will have to go to http://www.timetable.ul.ie/tt_mod.asp (Module Timetable) to get the lecture timetable, and then contact the lecturer to find out which tutorials and lab groups you should attend.

Module timetables are available on the web at www.timetable.ul.ie.

Why is my timetable blank?

Check your registration. Timetables cannot be generated for students who do not register on time. Some courses are not scheduled by Student Academic Administration. In this case, students must check class times with the department responsible for their course.

Forms To Be Stamped

Where do I go when I have forms to be signed and stamped?

Forms such as child benefit, medical card application, back to education allowance etc. can be brought to Student Academic Administration, E0-001. Only students who have registered their modules can get forms signed.

Where do I access my Lecture timetable?

You can view your course timetable at www.timetable.ul.ie under the “1st Year Lecture Only” link, using the LM course code and Year. You should also be given a paper copy of this by your course leader during your orientation week meeting. If you do not know your LM code, you can get this from your course leader during this meeting also.

Can I change to a different lab or tutorial time?

You must ask your lecturer. Student Academic Administration cannot allocate you to a different group.

There is a module missing from my personalised timetable

Check your registration. If you are not registered for the module, or if you made a late change in choice of module, it will not appear on your timetable. Please email saa@ul.ie or call to the Student Academic Administration counter to query your module registration and update if necessary. If your personalised timetable is wrong after Week 2 there will be no further updates to this. You will have to go to http://www.timetable.ul.ie/tt_mod.asp (Module Timetable) to get the lecture timetable, and then contact the lecturer to find out which tutorials and lab groups you should attend.

Module timetables are available on the web at www.timetable.ul.ie.
### General Queries

#### What is Coop?
Cooperative Education gives you the chance to experience a real work environment before you graduate. Placement times vary, but you would generally spend a semester working full-time in an area relevant to your course of study, helping you to make decisions about your future career. For more information, contact the Coop and Careers Department on 061 202521.

#### What is Erasmus?
The Erasmus/Exchanges Programme is an integral part of most degrees in the Faculty of Humanities and Social Sciences. Students study abroad at one of UL’s partner Universities, either in Europe or in another country outside Europe. The EU provides grants for travel to Europe. The study placement is usually for one semester. For more information, contact the International Education Division on 061 202353 or email erasmus@ul.ie or exchanges@ul.ie.

#### Can I get a refund of fees if I leave my course?
The University accepts no obligation to refund any fee or part-fee paid in respect of any programme. In certain circumstances a student can apply to the Fees Office for a refund of fees on completion of a Student Exit Form (Available from Student Academic Administration). For further details on fee refunds go to page 7.

#### What is the Student Advisor System in UL?
The Student Advisor System is designed to provide support for students while at the University of Limerick. Each student is appointed an advisor who is an academic member of staff and usually teaches on the students course. All students are encouraged to meet their Advisor during the first couple of weeks of first year. For more information on the Student Advisor System please visit [http://ulsites.ul.ie/SES/](http://ulsites.ul.ie/SES/).
