POLICY FOR PRIVATE CONSULTANCY AND EXTERNAL COMMERCIAL WORK

Approved by Governing Authority 22 September 2009
POLICY FOR PRIVATE CONSULTANCY AND EXTERNAL COMMERCIAL WORK

1. INTRODUCTION

1.1 UL permits members of the academic staff to engage in private external consultancy and directorships in order to expand and maintain their professional competence, keep abreast of developments and innovation in business and the professions, and to support the Irish economy and enhance the reputation of the University by sharing their scientific and academic knowledge with the business community and the professions.

1.2 However, in the interests of transparency and accountability, it is important that the University should be aware of the commercial and professional interests of its academic staff such as private external consultancy, directorships and other external activities, to ensure that these activities are not in conflict with the interests of the University.

1.3 Academic staff are appointed on the understanding that they may engage in outside paid work only with the permission of the President, or his/her nominee. This policy will apply to activities remunerated at commercial rates and in particular, does not apply to external examining activities, external evaluation/accreditation duties or the delivery of external lectures. If in doubt, it is recommended that members of Faculty should consult with their Head of Department or their Dean.

2. PRIVATE EXTERNAL CONSULTANCY AND OTHER EXTERNAL ACTIVITIES

2.1 There is a distinction between consultancy work undertaken by a staff member in a private capacity in accordance with the above policy, and consultancy undertaken on behalf of the University by a member of staff, the policy on which is governed by the terms of the UL Policies on Intellectual Property.

---

1 Consultancy and Directorships to include: partnerships, trusteeships, trade engagements, other remunerated positions (e.g. lecturing/teaching in other Institutions), membership of external committees, private professional practice.

- The University acquires no vicarious liability.

2.2.2 When a staff member undertakes private consultancy work, he/she is not covered by the University’s professional indemnity insurance policy and should carry his/her own insurance.

2.3 Notification

2.3.1 Academic staff undertake to provide details using the annual return form of private consultancies and directorships undertaken in the previous academic year based on the following conditions:

- The staff member has made it clear to the client that he/she is operating as a private individual and not as an agent or employee of the University;
