Graduate Certificate in Serious Crime Investigation

Graduate Certificate in Serious Crime Investigation

Course Code: LM494

The Graduate Certificate in Serious Crime Investigation is a one-year full-time online programme designed for those who have completed the special purpose award in Serious Crime Investigation or an equivalent programme.

This programme will allow those who have completed the special purpose award to capitalise on their expertise and develop an advanced and integrated

understanding of serious crime investigation.

The Graduate Certificate in Serious Crime Investigation is a blended learning programme which consists of four online modules which are taken on a full-time basis by students over the course of two semesters (January – April, September – December).

The completion of Graduate Certificate will develop the cognitive and technical skills of students and, upon completion, students will be in a position to research and apply established theories to the investigation of serious crime.
